No room for CD's...see next month's playlist. No winners in October's playlist contest. The 3 fake records were "Ham on Rai" by Cheb Ral-Kasha (Earthtone Records), "Geek Nerve Balloon" by Trench Fever Dinette, and....I can't find the other...hmmmm. There are 4 (easier) takes on this playlist, supplied by our new assistant dude Chris T. If you can spot three, you'll win a sporty WFMU t-shirt in your size!

Happy Hunting,

David
