Mr. Coffee goes back in the closet. The empty Jolt Cola cans go in the trash. The 9 day 1988 fundraising marathon draws to a close. We've surpassed our goal with 4300 listener pledges for \$126,000. WFMU will be alive and kicking for another year, completely financed by our wonderful listeners.

Our sincerest appreciation to the all the caring record companies who donated records, tapes, CDs etc. Your generosity and kindness help keep us going.

Now I can sleep...

Thanks and love,

Daryl Newgarden
