Hi, How are you?,

As always the above plays represent the individual programming decisions of fifty-seven disc jockeys over four weeks time. Almost all are brand new records or new re-issues. A few are old records that are new to the station; Thanks NMDS (Yale), Wayside (Steve), and Vee Jay (Jeff). Thanks to Professional Audio Consultants of Millburn, NJ for donating a compact disc player. I've got final exams May 23-27 and won't be around, but the station stays on 365 days a year, 24 hours a day. I wonder if they'll miss me.....

Don't let this happen to you!

Love,

David
