Mindfield  
Profile

There were no winners in our November and December Fake Record Contest. Seven fake records were fabricated by our typist Chris T., and we got dozens of wrong guesses. Five separate entries fell for Soul Asylum's appearance on the Marlo Thomas "Free To Be...A Family" LP (also w/ Kermit TheFrog!) It was real...

Here are the fakes...I'm not going to attempt to explain Chris T.'s humor...

Johnny Cash/Waylon Jennings "Live FromNashville Baptist Hospital" (Recuperation Records), Paulina Porizkova "plays With Ric Ocasek", Sukhreet Gabel, Skinhead Youth "Night on Bald Mountain" (Oi-tone), The Kindler Gentlemen, Daryl Hannah "Sings the Blues", and Big Sonic Sound Pussy Mud Surfers "Ride the Wild Trend" (Derivative)

-----

Two notable honors this month: We were named "Top College Radio Station" in the CMJ 1988 readers' poll (2nd year in a row) and our program guide Lowest Common Denominator was praised in the March issue of Penthouse magazine. The phrase "brain damaged" is (I think) meant to be a compliment....Apparently, plenty of people actually read Penthouse, because we've gotten over 60 requests for LCD in one week (including 4 from penitentiaries)

Love & Sex,

*David*
