For the rookies: Since 1968 or thereabouts, WFMU has been playing a wide variety of music in our patented, free-form style. 60 disc jockeys program whatever-they-want guided by their own diverse tastes and experiences, rather than a narrow station playlist. The order of this list you're holding is based on the sum total of actual plays for these recordings received in September. Along with our jam-packed record library, and the DJ's own records, these gems are broadcast 24 hours a day, 365 day a year to radios in Northern New Jersey and New York City (and a few strong antennae in Pennsylvania, Westchester, Long Island, Connecticut and Southern Jersey).

For the veterans: As you may have heard, we've recently moved into our 3 story 1920's colonial, complete with carriage house, gold-fish pond, and a leaky roof. The renovation was done by 100 some-odd incredible listeners with carpentry, electrical, and plumbing work all donated (as well as the \$170,000 in listener contributions this year). We also raised some money with 2 benefit parties at Maxwell's and at the Coney Island boardwalk. Thanks to the performers Pete Stampfel, Speed the Plough, Fish & Roses, Wrench, Honeymoon Killers, Woodpecker, Reverb Motherfuckers, Jolly Ramey, Couch Flambeau, Uncle Wiggley, Sea Monkeys and Krave. Thanks also to Maxwells, Sideshows By the Seashore and the New York City Police Department.

My phone # is still 201-266-7901, but 7900 and 7902 are being changed. I am here on Mondays and Fridays from about 9-9. The old answering machine bit the dust, so for about a month, you can't leave messages.

Talk to you soon,

David Newgarden/Music Director
