From March 31 to April 9, we'll be sleepwalking through our annual fundraising marathon, during which we raise every penny of our operating budget through listener contributions. We receive no money from commercials, underwriting, grants, Upsala College, student fees, graft, loansharking etc. This means that we have a special relationship with the folks who pay our bills--they give us their hard earned cash because they like our programs. To give our listeners a little bonus, we have prize drawings every 10 minutes. If you'd like to donate any records/tapes etc. for prizes, they'd be greatly appreciated and your record would get some extra exposure. Call David on Tues. or Fri. 201-266-7901
