MIRACLE

SURFACE

This record contains the revolutionary new antistatic ingredient, 317X, which helps keep the record dust free, helps prevent surface noise, helps insure faithful sound reproduction.

Gruve/Gard Protects This Record

Notice on this long play record a new raised center and outer edge which was designed by RCA Victor to protect the playing surface of the record from abrasion, scratches, and contact with other records. This feature will give you many additional hours of perfect record play.

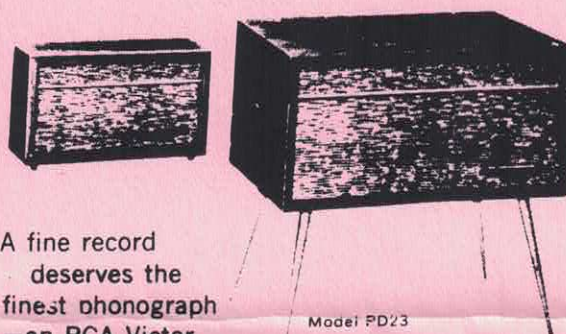

High Fidelity

These high fidelity albums offer you an unexcelled value in high fidelity recordings. They are the result of a combination of skilled modern engineering techniques and the very finest recording equipment. These albums are recorded on 3-track Ampex tape recorders, using RCA, Altec and Electro-Voice microphones and, as a result, produce the truest possible tonal quality. In order to give you the most outstanding reproduction from the tape to the record, the tapes — mastered by a Westrex Feedback Cutter — are pressed from a high-quality vinyl formula under very precise manufacturing conditions. These records are recorded with the RIAA characteristic. Frequency response is from 20 to 20,000 cycles per second. For true enjoyment and top quality, no finer records can be purchased at any price.

Listen . . . and have music fill your home with pleasure.

IMPORTANT NOTICE

This is a "New Orthophonic" High Fidelity recording, designed for the phonograph of today or tomorrow. Played on your present machine, it gives you the finest quality of reproduction. Played on a "Stereophonic" machine, it gives even more brilliant true-to-life fidelity. You can buy today, without fear of obsolescence in the future.

A fine record

Model PD23

21 MICROPHONES MEAN THE ULTIMATE IN SOUND SEPARATION
21 MICROPHONES MEAN THE CLEANEST DEFINITION OF INSTRUMENTS
21 MICROPHONES MEAN THE WIDEST RANGE OF REALISM

This Columbia GUARANTEED HIGH FIDELITY recording is scientifically designed to play with the highest quality of reproduction on the phonograph of your choice, new or old. If you are the owner of a new stereophonic system, this record will play with even more brilliant true-to-life fidelity. In short, you can purchase this record with no fear of its becoming obsolete in the future.

If you follow these suggestions, the Compact Disc will provide a lifetime of pure listening enjoyment.
