The WFMU fund-drive marathon was pretty darn successful thanks to 6900 listeners who pledged \$260,000. Despite the vultures circling our transmitter, it was a pretty fun and exciting 14 days, due in part to the tremendous prizes that we offered listeners. Thanks to all the following record companies, bands, stores, magazines, etc. who gave above and beyond the call of duty. Your prize donations were a huge help.

WFMU Soulmates (in no particular order): Shimmy Disc, Earth Pig, Chemical Imbalance, Silvertone, Albertine, Diesel Only, Lunch For Your Ears, Maxwells, Jim Jarmusch, Blast First, Subpop, Elektra, Beam 103, Sue Ann Harkey, New Alliance, Slash, Chameleon, Alligator, Mammoth, 4AD, Second Vision, Capitol, Wogemuth & Hyatt, Montclair Book Center, Flipside, See Hear, Jersey Beat, Gold Mine, Star Song, Restless, ECM, SOL, A.O.D., Shredder, Dead Issue, RCA, Rough Trade, Tommy Boy, Chrysalis, Polygram, C'est La Mort, Skyclad, Finyl Vinyl, Hideout, 2 Boots Pizza, Crypt, Candy, Norton, Satan Records, Telstar, Multnomah Press, Get Hip, CEMA, Ear Magazine, Crazy Rhythms, Private Music, Studio One, Rhino, Bee Cat, Jah Life, Super Power, Vp, Monty Cantsin, Brian Woodbury, Bianca Flystrip Miller, The Styrenes, Antone's, Freedom In a Vacuum, Homestead, Beggar's Banquet, Community 3, Orson Welk, Word, Frontline, Crossways, Caroline, Cryptovision, Smersh, Fabian Aural, Modern Blues, Fire, Matador, Dischord, Frontier, Walt Disney Records, Stress, Twin Tone, Chaos, IRS, Flying Fish, TVT, Wax Trax, St. Joan, Resonance, Alias, Bar None, Texas Hotel, Fang, Genius, Nonesuch, Alternative Tentacles, Cuneiform, The Swans, Shanachie, Byron Coley, EMI, Geffen, Virgin, CBS, Island, Giant, Green Linnet, Def Jam, Celluloid, Golden Palominos, MCA, Gregory Whitehead, Mute, Dog Gone, Sire, Crimson Corpse, Pathfinder, Carthage, Rounder, Enigma, Atlantic, Warner, Touch and Go, Iloki, County, Blue Mold, Trace Elements, Option, Sound of Pig, Pogus, Hightone, Celestial Harmonies, MU, NMDS, Redwood, Nadirean Extensions, Audiox, Kaleidoscope, Corwood Industries, Mechanic, Sugar Hill, RAS, Black Top, A & M, Nuclear Whales Saxophone Orchestra, SST, ROM, 109 Records, Fantasy, Malaco, Frank Gresham, Rykodisc, The Generator Experimental Music Gallery, Amok Press, Factsheet 5, The Freaks, I bet I forgot someone...

The WFMU benefit concerts have been highly successful as well. Thanks to Maxwells, CBGB's, Court Tavern, Pyramid, Lauterbachs, P.S. 122, The Pipeline, Live Tonight and ABC No Rio for providing space, and thanks to the following bands for donating their talent: John Zorn, King Missile, Pussywillows, Adrenalin O.D., the Mommyheads, Freaks, Earth Pig, Karen Black, Arnold the Pig, Zen Pajamas, Knew Breed, Dogzilla, Bouncing Souls, Mofungo, Das Damen, Fish & Roses, Bongwater, Beme Seed, Hypnolovewheel, Cryptic Soup, Chemical Wedding, Frank's Museum, Formaldehyde Blues Train, Roger Manning, Cindy Lee Berryhill, Billy Syndrome, Paleface, Suzie Unger, GasHounds, Workdogs, Devil Dogs, Dogbowl, Vision, SuperTouch, American Standard, Within These Walls, Boy, do I love lists....

More Benefits:

Thursday, May 31 at The Bottom Line (Manhattan): They Might Be Giants, Yo La Tengo, Chris Stamey Group, Christine Lavin, Peter Stampfel, Tuli Kupferberg, Cindy Lee Berryhill

Tuesday, June 5 at S.O.B.'s (Manhattan): reggae star Sister Carol, "psychedelic Greek funk" from Annabouboula, and the Hendrix-influenced Les Miserables Brass Band

Even more benefits to come in the fall. Our FCC border skirmish is at a standstill right now. But good news in that we're currently receiving pro bono legal assistance from a very large law firm. The battle could last for years...

My office hours are now Mondays and Fridays 10 (or so) - 4pm (or thereabouts).

No more lists - but not listless,

David Newgarden, Music Director 201-266-7901
