DOG EARED MUSIC

Our 4 year border skirmish is finally coming to an end! As a result of a negotiated settlement, WFMU will be able remain at full power, but two of our opponent stations will come away with power increases they wouldn't have received had they not attacked us in 1989. The settlement allows WFMU to move to a better transmitter site, which may improve our reception in the New York area, but the power increases granted to our two foes may cost us listeners in our fringe areas.

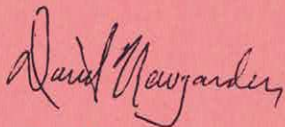

The 1993 WFMU fund-drive marathon was our most successful to date. While many other New York area public stations were forced to extend their fund-drives, we were able to reach our \$250,000 goal and also increase the number of our listener supporters.

Thanks to all the record companies, promoters, bands, stores, publishers and other folks who helped us by donating prizes to give away during the fund-drive:

Pow Wow, Ryko, Virgin, Charisma, Sonic Trout, Quality, Tellus, Sundazed, Sire, Trace Elements, Zoo, CMP, Mango, Subpop, Evidence, Shanachie, Beggar's Banquet, Taang, Triple X, Elektra, Seed, Sugar Hill, Roadrunner, Tim Kerr, Windham Hill, GRP/Impulse, IRS, Okra, Warner, Mute, Silvertone, Rift, Imago, Alligator, Blue Note, Capitol, Autotonic, Chameleon, Gazell, Safehouse, Mesa/Bluemoon, Cuneiform / ReR, Radioactive, Reprise, Shimmy Disc, CRI, Warner Nashville, Arista, SOL, Discovery, DGC, O.O., Rounder, Chaos, Fang, A & M, Polygram, Knitting Factory Works, Relativity, Black Top, Texas Hotel, Warlock, Rhino, Green Linnet, Nettwerk, Dutch East India, 4AD, Merge, 18 Wheeler, Long Play, Slash, K, Epitaph, Alternative Tentacles, Bar None, Touch & Go, Fruit of the Tune, Einstein, Interscope, Alias, New World, Mammoth, Caroline, New Alliance, Cruz, Carnage Press, Forced Exposure, Earth Beat, SST, Heyday, Twisted Village, Sony, Enemy, Matador, Amphetamine Reptile, Reprise, Albertine, Delicious Vinyl, Delicious Vinyl, Megaphone, Vermiform, Tragic Life, Agaric, Ichiban, Hightone, Norton, Axiom, Crypt, Verve, Triage, Columbia, Shredder, Tragic Life, Cargo, Touch & Go, Twisted Village, Trash Flow, Quixotic, Flying Fish, Arf Arf, Nettwerk, Triage, ReSearch, Bar None, Epitaph, Telstar, Candy, Norton, Frontline, Star Song, Jpusa, Grrr, Notebored, Blonde Vinyl, Polygram Video, Tommy Boy, Crypt, USA Network, Brainiac, MIT Press, The Electronic University, Feral House, Penguin, Fireside, Duplex Planet Magazine, STP, Option Magazine, Powerhouse Tattoos, Crazy Rhythms, Revelation Records, Kinky Friedman Crime Club, Huge Voodoo, the Church of the Subgenius, The Beauty of Civilization, Drag Racing Underground, the French Music Office, Luc Sante, Dan Nooger, Brian Woodbury, Southern Culture on the Skids, The Coctails, Band of Susans, Circle X, Borbetomagus.

We thank you for your support and interest in keeping FMU alive through the past four years, and we look forward to working with you in a prosperous and litigation-free future.

Thanks,

David Newgarden
