February 28, 1994

The coffee's perkin' and the phone's are ringin' as we've kicked off our annual marathon fund-drive this morning. Two weeks of begging, cajoling, prizes, bumper stickers, sleep deprivation, smoke-filled rooms, human sacrifice, bad jokes, and very often, unusually interesting programming. Many of our listeners actually consider the marathon to be our best programming of the year. It's definitely like no other fund-drive on any other radio station. We're hoping to raise \$300,000 (our heftiest goal ever), 1/3 of that to go toward a new transmitter and new antenna (located at a new site) as we move away from a giant water tower which has always blocked our signal. The move is required by the F.C.C., and should officially put an end to our long-running border dispute, and hopefully improve our sound as well.

The WFMU benefit show at CBGB's in January went pretty well, selling out early in the evening and no deaths in the stampede to get in. Thanks to the bands Unrest, Luna, Uncle Wiggly and Versus for performing to raise money for FMU. ESG was a last minute cancellation due to illness (singer Renee had a bad asthma attack).

Coming up on the weekend of May 21 & 22 will be the 2nd WFMU Record Fair/Record Hop held again at the Hoboken Elks Lodge (1005 Washington St.). The first Record Fair was a big success. Tons of records, CDs, 45's, 78's, tapes, 8-tracks changed hands and the station made a lot of money as well. And again there'll be live broadcasts, beer, dancing, elks, beer, contests, and plenty of beer. The selection last time around was tremendous: rock 'n roll, psych, punk, soul, jazz, experimental, international, S.A.B.P., etc.etc. etc. etc. Among the dealers were Original Music, Forced Exposure, Tec-Tones/Ralph Records, Crazy Rhythms, Pier Platters, Downtown Music Gallery, Goldmine, Norton Records/Kicks, Telstar Records and many, many more. If you're in the area you won't want to miss it...Donations of records/CD's/cassettes graciously accepted (please no CD or 12" singles! Please!!) Call for info on donations or table rentals(201-266-7901).

A new issue of our program guide / magazine "Lowest Common Denominator" will hit the streets soon, and we're planning another (bigger) issue of our extremely successful mail-order catalog (of unusual records, books, videos, etc.) for next Fall.

For the 4th straight year we've won the Rolling Stone magazine year-end critics' poll as the nation's best radio station and our parents are still impressed...

And....after 7 thrill-packed years, I'm leaving my position of Music Director/Program Director on April 1. Station manager Ken Freedman will be taking over as PD, and we'll have a interim M.D. until we can hire a permanent replacement. I'll continue to do a radio show... More details next month.

Take care,

David Newgarden
