ANOTHER SUCCESSFUL FUND-DRIVE, DAVID RETIRES, SPRING ARRIVES

We finished our annual fund-drive on March 13 at over \$291,000, and after slow mail subscriptions arrived during the following 2 weeks we're up to \$312,000 from 6345 listener pledges! A third of that money will go towards moving to a new antenna site and buying a new transmitter, which should put an end to our FCC border dispute and will hopefully improve reception for a lot of people.

Thanks to all the record companies, publishers, bands, magazines, stores, artists who made donations of fund-drive prizes: CMP, Duplex Planet, Option, Caroline, Realworld, MCA, Delicious Vinyl, Pow Wow, MCA, A & M, Mute, Lyricord, Beggar's Banquet, Pipeline, Heyday, Mammoth, Amphetamine Reptile, Dutch East India, Sub Pop, Capricorn, Homestead, Arf Arf, Gang of Seven, Evidence, Ryko, GRP, Impulse, Interworld, RCA, Sire, Hi-Ball, Energy, Interscope, Milan, Fantasy, Cargo, Bomp, DGC, Merge, Worrybird, ERL, Alligator, Polygram, Boner, Shangri-La, Revelation, New Albion, Triple X, Shimmy Disc, Tommy Boy, Green Linnet, Virgin, Flair, Island, 4AD, Elektra, Epitaph, Alternative Tentacles, Sky, Hightone, Imago, Big Money, Iloki, Zoo, C/Z, Semiotext(e), Shanachie, Touch & Go, Texas Hotel, 18 Wheeler, Verve, Lip Service, Rastascan, EMI, QBADisc, RAS, Studio One, Radioactive, Taang, Starkland, Popllama, Restless, Earache, Diesel Only, Bar None, Arf Arf, Reprise, Cruz, SST, New Alliance, Matador, Cuneiform, ReR, Columbia, Twin City International, Blue Note, Atlantic, Knitting Factory, AAM, Rise, Tim Kerr, K, Seed, Rhino, New World, Slash, Psychotronic, New World of Sound, Hatch Show, Dame Darcy, Roadside America, STP, Norton, Roadrunner, Jan Staller, Autotonic, Stick Shift, Crazy Rhythms, See Hear, Ratfish, Hideout, TVT, William Morrow, Eggbert, Safehouse, Chaos, Amarillo, Rounder, East West, Gramavision, The Electronic University, Popwatch, Inner Tradition, Warner Bros., Independent Project, XI, Continuum, AAM, Sundazed, Triage, TriStar, Roulette, Black Top, Negativland, Junior Brown, Celluloid, Engine, Frances Gumm, Scaf, Drag City...hope we haven't forgotten anyone.

Thanks for caring about and contributing. to WFMU!!!!

As of April 1, I'm leaving my full-time job as FMU Music Director / Program Director, although I'm planning to resume my radio program (at a new time) in June. Ken Freedman will take over as Program Director (a position he held before me). Gaylord Fields will be the interim Music Director until July. He'll have the same phone-call hours I've had (Thursdays 12-5 ET) and he'll also take over my duties as buyer for the WFMU mail-order catalog. We'll soon be hiring a new full-time Music Director. Deadline for applications is May 15; if anyone's interested call Gaylord for details.

While organizing and writing the FMU mail-order catalog, I started yearning to do new things. After 7 years here (and two additional years as MD in college), I'm finally ready to say goodbye to the mountain of CDs, piles of t-shirts, countless promotional condoms and 22 Jandek albums. After all this time I'm happy to say that I still love coming to work and listening to records, I still listen to music when I get home, and I still spent far too much of my salary at record stores... And only occasionally do I have the urge to throw my radio out the window...

Starting April 11, I'll be working as a writer / editor at CMJ, reviewing music of all types. A wise man once said that "writing about music is like dancing about painting." OK, it wasn't really a wise man, it was Martin Mull, but I guess I'll soon find out... Also, I'll probably be working on a side-project out of my living room... I'll hopefully still be in touch with many of you.

Here are my addresses if you'd like to keep in touch. Even though I'll still be DJing here, it's probably best not to send personal mail to me here (we get several hundred things addressed to me each week). Feel free to use either of these:

Thanks to all of you for the great records you've sent over the years. It's been amazing working here and a pleasure working with *most* of you... The station's in good hands. There's going to be lots of exciting things happening here in the near future. Stay tuned!

Bye-bye,

David Newgarden
