Dear Record Folks:

thanks for all your help during the past year!!! Our catalog (call me if you want one) has been going extremely well, business-wise, and our December record fair was a success. I soon will be hitting you up for giveaways during our Spring Marathon, but not yet...

Our email has been up and down but now is up, except that I can't send mail out to those of you with AOL accounts (I can receive mail from AOL, however.) It's a quirk of our system at the moment.

hittin' the holidays *hard*,

robin, Music Director

A handwritten signature in cursive script, appearing to read "Robin Edr", followed by a horizontal flourish line.
