Howdy!

In the mail, most of you will be receiving a patient request from me, for stuff for us to give away during our Marathon in March. Look for it! Thank you.

If ANY of you have bands travelling to the NYC area, please have them get in touch with us! We're always looking to set up live acts to play on the air. Or if you're in the area already...

Our email is back! (or back and forth, again) It was down for quite a while, we were having a hard time both sending and receiving. But all is back to mostly normal now, you can send me mail at robin@wfmw.org.

Thanky!

Robin Edgerton, Music Directress.
