.....take a deep breath now.....ahhhh.....

Yes, QUITE the long playlist, quite the last couple of months! Our computers have crapped out on us in cute little ways that made it impossible to work up a playlist...until *now*. We are also now able to send out these long lists via email, so let me know if you're wired up, and the address, and I'll send them to you.

the MARATHON. (results)

Our two-week marathon was a success! We didn't quite meet our goals, but we came very close. Overall, our listeners pledged a whopping \$287,000 for our operating fund and around \$85,000 for our "WFMU House of Tomorrow" fund (a nest egg for our incipient move). The on-air pitching was as shameless (and hopefully as amusing) as ever, perhaps even more so....

the MARATHON. (thanks!)

We gave away many great prizes this year to pledgers, even better ones than in years past! They're all donated by you nice folks out there--from bands and individuals to labels and companies--all of whom have our chronic gratitude. The entire thank-you list is on the next page. It's long, but alphabetized, so find your name, pat yourself on the back--not *too* hard, don't hurt yourself.

Our BiAnnual Record Fair in Manhattan. (soon!)

It's on May 4th and 5th! Come! It's going to be bigger than ever--we're going to take up two rooms this time (last one was only one), and features the usual live broadcasts, great record dealers from up and down the east coast (Norton, Forced Exposure, Parallel World, Telstar, WFMU dj's, etc.), and beer. At the Mary Help of Christians Church, 12th St. and Avenue A, in Manhattan. Admission is four greenbacks, hours Saturday 11-8, Sunday 11-7. (early admission at 10 am). Call for more info, 201-678-8264.
