APRIL / MAY '95 PLAYLIST
RECORDS RECEIVED 4/15/95-5/12/95
ROBIN EDGERTON-MUSIC DIRECTOR
(201) - 678 - 8751, THURSDAYS 12-5

Just a reminder...my NEW phone number is 201-678-8751. If you call the old one, you will not be referred or forwarded. And if you send your packages via U.S. Mail, please use our new P.O. Box.....

P.O. Box 1568, Montclair, NJ 07042. That way we'll (hopefully) be getting our mail more reliably.

The new LCD program guide/magazine will be out soon--look for it, perhaps before you receive a new playlist.

I'm continually trekking into NYC (oh, 10-12 miles away) for shows every week! If there are / you know of (GOOD) artists performing in New York City during the summer, please let me know!
I like to keep, well, informed.

up, over, and out.....

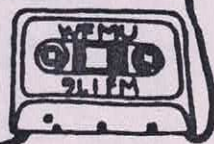

-robin (edgerton, music director)
