Hello again...

Our new WFMU catalog is out--If you want one, contact me. This is our biggest one yet (56 pages!). Our foray into capitalism (or at least break even-dom) is in order to get ourselves out of some financial holes as well as providing folks with great music (much of which you can't find many places, some at prices below what you'll pay anywhere else...). It's got music, books, videos, etc. And lots of weird stuff.

We have a new LCD Program Guide magazine as well. It's packed with articles, wonderful art (David Sandlin did the cover and Renee French did the back cover), and the ever-present program schedule. If you don't receive it within a few weeks, let me know and I'll send you one.

My new phone-201-678-8751, email--robin@wfm.org--and address! WFMU P.O. Box 1568, Montclair NJ 07042.

Thanks to anyone I've bugged repeatedly to get receive recordings that are represented on this playlist. You are both patient and generous.

Robin Edgerton
