YOU WILL NOTICE THAT WE HAVE A BRAND-NEW COVER-FRAME
ARTIST! the wonderful and generous *Eileen Fitzgerald Smith* of
Savannah, Georgia provided us with this very appropriate piece of
artwork. Now you'll be seeing it for roughly the next 10 years, but, just
think, it's so much better that the art we've been using for the last 10.

On Sept. 10, at WFMU, we are having our annual summer (relative
term) picnic. Besides the fact that you're invited (this is the day after
CMJ), we're also looking for a (good) band to play live on the air
from the backyard in the afternoon. Any of you folks who have
bands playing CMJ who are going to be doing nothing on Sunday
afternoon, give me a call. Perhaps they'll be our guests of honor. Just
to remind y'all, we're approx. 10-12 miles from NYC.

Now, if you haven't received a copy of *LCD* (our
magazine/programguide), let me know and I'll send you one. Ditto
on the *catalog of curiosities*.

much thanks as usual....

Robin Edgerton
