good morning, afternoon OR evening... REBOUNDED FROM THE SPECTACLE THAT IS THE CMJ MARATHON, I NEED MORE SLEEP AND/OR EYELID PROPPERS...

WFMU's semi-annual record show and white sale (we're selling staff members, too!) will take place on December 2nd and 3rd at *Mary Help of Christians (and Non-commercial Radio Stations) Church*. This will happen in NYC. More details to follow.

Of further note, for those of you who didn't read all about it in our program guide, LCD (*call me if you didn't get one*), due to the Upsala College closing and bankruptcy proceedings, the building which currently houses our studios and offices is now for sale. Unfortunately, this means we either have to buy it ourselves or move, neither of which are cheap options. I'll keep you posted as the situation changes.

thanking you eternally,

robin edgerton, music director
